THE MYSTERIES OF THE BLOODLINE BATTLE

Leviticus 17:14

For [it is] the life of all flesh; the blood of it [is] for the life thereof: therefore I said unto the children of Israel, Ye shall eat the blood of no manner of flesh: for the life of all flesh [is] the blood thereof: whosoever eateth it shall be cut off. (KJV)

The life of all flesh is in the blood and without the blood of Jesus, it is impossible to live the Christian life. Blood communicates, the blood flowing in your body speaks, it is therefore necessary to understand the mystery of blood. Those who engage in blood transactions or exchange with Juju Priests, lack understanding because of the risks and dangers involved.

Every child of God must have a revelation of the blood of Jesus Christ. It is not ordinary but celestial. As we engage the blood of Jesus on any matter, powers of the forces of darkness are neutralized.

The devil on his own, cannot kill a chicken or fowl for witchcraft operations, but uses human beings for the purpose in order to invoke judgement on the people. That is why we must constantly come under the blood of Christ, to be immuned from satanic attacks. Your destiny is in your own blood. You inherited your blood from your family tree. Many of us do not understand that ancestral blood patterns operate within us. But medical science has proved to us, that as powerful and mysterious as blood is, the very blood flowing in your body can carry something that can kill you tomorrow. That means the blood can conceal and hide things. You need to know the blood pattern of your descendants. You need to sit down and find out where your blood warfares are, and don't wait until something negative happens.

That is why you declare your redemption. Lift your voice and say "I am redeemed. If I discover that my blood pattern has a particular problem, I don't wait for that problem to start operating in my life because by knowledge of the scripture, I am aware that I can stand on the blood of Jesus and revoke that pattern. Anything flowing through the family tree, negative to my destiny, negative to my advancement, I neutralize and paralyze it by the blood of Jesus." Because blood is mysterious, you need to know what kind of blood you inherited.

Many of our forefathers went into many mysterious things in order to secure their children's future. They carried out sacrifices without knowing the adverse consequences. Your unknown past can be traced to your blood, certain things you don't understand about your life can be traced to your blood. As a child of God, you must be able to silence every form of power. Blood has characteristics, blood has different forms and patterns. The way you spend money on earth, that is how blood is used in the spiritual realm. That is why no charm can be done without blood. The devil is already a spirit, so, he looks for somebody that recognizes him as such to produce the word and blood, without minding if the person is right or wrong. As long as there is a spirit of darkness, with blood and somebody to speak, he invokes his judgement. Because we don't work with the spirit of darkness, but with the spirit of light and by the spirit of light we overpower darkness.

Psalms 1:1-2

Blessed [is] the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight [is] in the law of the LORD; and in his law doth he meditate day and night. (KJV)

You cannot succeed outside the word of God. You need the word of God, the spirit of God, and a revelation of the blood of Jesus. With these three, you become untouchable. The price of salvation is the blood of Jesus. Nobody on earth can be saved without the blood. I met a man many years ago who was in the occult and had already initiated his two sons. He said to me, "If I had heard about Christ many years ago, I would not have brought these boys into this bondage."

Once you are initiated by blood, you are enslaved into that journey, but immediately you are delivered by Christ, you are brought into a new life. So many people today are slaves to their ancestral blood. Without the blood of Jesus, the church cannot be free. Having purchased your redemption, you are now into a world of freedom. You can now enjoy the benefits of God, and the right to fulfill your original destiny.
